*****ANTARAGNI*****

THE FIRE WITHIN SELF...

The word Antaragni is a Sanskrit compound which is derived from the word 'Antar -the soul & Agni –the fire' which stands for "the fire within self".

It is not the place where we are, or the work which we do or cannot do that matters, it is something else.

It is the fire within that burns and shines, whatever be our circumstances. Walk with the dreamers, the courageous, the cheerful, the planners, the doers, the successful people with their heads in the clouds and their feet on the ground. Let their spirit ignite a fire within you to leave this world better than when you found it.
